# 1. ANIMAL JOKES

## The Big Gorilla

A man reads in the paper of a white gorilla in a zoo far away. He decides that he just has to see it. The journey will be a long and arduous one but he simply cannot resist. He sets out on his trip and travels by car to the docks, and catches a boat across a huge ocean. After weeks of sea travel he arrives at the other side and takes a train to the zoo. When he sees the white gorilla he can't believe his eyes, it's the most beautiful thing he's ever seen. He simply must get a closer look, so he goes to the zoo manager and begs to be allowed into the gorilla's cage.

After much arguing the man finally persuades the manager to let him in to the gorilla's cage, but before he does he tells the man that whatever he does he must not under any circumstances touch the white gorilla. The man agrees and is led to the cage.

He tiptoes into the cage and is amazed, the gorilla is even more beautiful close up than it was from a distance. The white gorilla just sits quietly and looks at the man. After a while the man gets use to being so close to the gorilla and it seems so peaceful and calm that he starts to think that there can't be any harm in touching the gorilla. He slowly moves closer and closer to it, all the time the white gorilla just looks calmly at him. He reaches out his arm and gently touches the gorilla.

Just as his arm makes contact the gorilla jumps up and starts roaring. The man turns and runs to the exit, getting there just before the gorilla. He leaps through the door and the keepers slam the door just in time.

The gorilla pulls at the door and to the man's horror the bars start to bend. The man runs out of the zoo and to the train station and jumps on the train, which as luck would have it is just leaving. He glances back and can see the gorilla chasing after the train, but not gaining on it. The train arrives at the docks and the man quickly scampers aboard the boat.

The boat leaves and the man thinks he's safe at last. He relaxes and starts to enjoy the leisurely cruise back across the ocean. The day they're due back in port he's walking on deck when he sees a small shape in the water trailing behind the boat. He can't make it out so he borrows a pair of binoculars from someone. He focuses the binoculars on the small shape and is horrified to discover that it's the white gorilla, swimming behind the boat. It must have been there all along.

The boat then arrives in port and the man hurries through customs and rushes to his car.

He drives off just in time to see the gorilla climbing out of the ocean from his rear view mirror. He drives as fast as he can to his house and runs in locking the door behind him. All the time being followed by the huge white gorilla. The gorilla starts pounding on the door and having seen what it did to the cage at the zoo the man knows it won't take it very long to get in. He runs from room to room trying to think of a place he can hide. He hears the door shatter and dives into a wardrobe and pulls the door closed behind him. Outside the gorilla is going mad trying to find the man, he's ripping things up and tearing out doors. Finally he comes to the wardrobe the man is hiding in and rips the door off. The gorilla sees the man and smiles, reaches out a massive hand and gently touches the man and says... "Tag, you're it".

## The Guy and the Penguins

A police officer sees a man driving around with a pickup truck full of penguins. He pulls the guy over and says: "You can't drive around with penguins in this town! Take them to the zoo immediately." The guy says OK, and drives away. The next day, the officer sees the guy still driving around with the truck full of penguins, and they're all wearing sun glasses. He pulls the guy over and demands: "I thought I told you to take these penguins to the zoo yesterday?" The guy replies: "I did . . . today I'm taking them to the beach!"

## Rabbit and Bear

A rabbit and a bear are walking in the woods one day, when the bear happens upon a magic lamp.

The bear is not very nice to the rabbit, he picks him up rubs the lamp. A genie pops out and says: "You have freed me, so you each get three wishes."

The bear says: "I wish all of the bears in this region were female bears, except for me."

The rabbit says: "I wish I had a motorcycle."

The bear then says: "Ooh, I've got a good one."

I wish all of the bears in the whole country were female bears, except for me."

The rabbit says: "I wish I had a motorcycle helmet."

The bear's last wish is: "Ooh, ooh, here's the best one of all! Here goes."

I wish that all of the bears in the whole world were female bears, except for me."

Then the rabbit says: "I wish the bear right next to me was a female."

The rabbit then hops on his motorcycle and drives away as fast as he can.

## Three Parrots

There is a guy selling three parrots. Another guy who wants to buy a parrot asks him, "How much are your parrots?"

The salesman answers, "The first one is \$1,000."

"What does he know?"

"He knows 10,000 words and 500 sentences and he is able to solve mathematical problems."

"How about the second one?"

"The second parrot costs \$5,000."

"What does he know?"

"He knows 100,000 words and 10,000 sentences, is able to solve mathematical problems, and create computer programs."

"Then what is the price for the third one?, the buyer is wondering."

"This one costs \$20,000."

"Really!?, wonders the buyer. What does HE know?"

"This one knows absolutely nothing, but the two others call him 'THEIR BOSS.'"

## The Fixed Cat

A little old lady was in the kitchen one day, washing the dishes when suddenly a little genie appeared beside her.

"You've lived a long and good life" the genie said,

"I have come to reward you by granting you three wishes.

Ask for anything you want and I will make it happen."

The old lady was surprised but cynical.

Not really believing that anything would happen she decided to play along for a minute.

"Ok" she said, "turn all those dirty dishes into money."

With that there was a big "Poof" and the dishes had turned into a big pile of cash.

"My" said the old lady, staggered that it had actually worked,

"Perhaps you could make me look young and beautiful again?"

There was another big poof and the woman now looked young and beautiful.

She was very excited and said her third wish was,

"Can you turn my dear old cat into a good-looking young man?"

Once more there was a big Poof, and the cat was replaced by a handsome young man.

Smiling devilishly she turned to the young man and said

"At last! Now I want to make love with you for the rest of the day and all night too!"

The young man just looked at her and replied,

"Well you should have thought about that before you got me fixed shouldn't you!"

## The Hat Seller and Monkeys

Once upon a time, there lived a poor hat seller in a small village in India. He earned his livelihood stitching hats and selling them in the neighboring villages. Once when going to another village through a forest, he fell asleep under a tree. When he woke up, he was surprised to find his basket empty and all the hats missing. Then he noticed a troop of monkeys sitting in the tree wearing his hats. He came up with a brilliant idea to retrieve his hats. He lifted the hat on his head and threw it to the ground. Out of their aping habits the monkeys followed suit. The hat seller then collected all the hats and triumphantly proceeded to the market.

As the years pass by, the hat seller has a grandson who too ends up being a hat seller. One day he has to pass through the same forest to sell hats in the village on the other side. As he is leaving, his grandpa tells him of the monkeys and how he outsmarted them and warns the grandson to be careful in the forest and remember his grandpa's trick if the monkeys cause any trouble.

So the grandson sets forth on his journey. While passing through the forest, he gets tired and falls asleep to wake up and find the basket empty and all the hats gone. Then he notices the monkeys on the tree wearing the hats. Smiling to himself he says, "Aha ! I know how to deal with this. I'll use my grandpa's trick! So he hurls his hat to the ground expecting the monkeys to do the same. All this time, there is a young hatless monkey sitting in the tree. This monkey jumps down from the tree, quickly picks up the grandson's hat and puts it on his head. Then as he is scampering away, he says to the grandson sarcastically: "HA! HA! DID YOU THINK ONLY HUMANS HAVE A GRANDPA!?"

## The Bachelor and the Cat

A bachelor who lived at home with his mother and pet cat went on a trip to Europe. Before he left he told his best friend to inform him of any emergencies. A few days after his departure, his cat climbed up on the roof, fell off and was killed. His friend immediately wired him with the message: "Your cat died!"

In a few hours he was back home, having cut short his trip in grief and anger at his friend, whom he told "Why didn't you break the news to me gradually? You know how close I was to my cat!

You could have sent a message 'Your cat climbed up on the roof today', and the next day you could've written, 'Your cat fell off the roof' and let me down slowly that he died." After a quick memorial service, the bachelor left again to continue his trip. A few days later he returned to his hotel and there was a message waiting for him from his friend. It read, Your mother climbed up on the roof today."

## A Man and his Monkey

A man walked into a bar with his pet monkey.  
The bartender said, "You can't bring that monkey in here!"  
The man replied, "Don't worry, he won't cause any trouble."  
Within seconds the monkey jumped on the pool table and swallowed the cue ball.  
The bartender yelled, "Hey, he just ate my cue ball. No one can play pool anymore! Get out!" So the monkey and the man left.  
The man left but came back one week later with his monkey. He apologized to the bartender and promised no more trouble.  
The bartender let him and the monkey stay.  
Later that night, the monkey walked over to a bowl of grapes, put one in his ass, and then ate it.  
The bartender said, "That's disgusting! Why did he do that!"  
The man said, "Since he swallowed the cue ball, he sizes everything up before he eats it."

## The Cat Scan

A couple buys a cute little dog. They take him home and two days later the dog becomes very lazy.  
It won't eat, doesn't bark, it doesn't even move at all.  
So the couple decides to take the dog to the Vet.  
The Vet looks at the dog and then lays it on the floor.  
He then brings a cat into the room and sets it beside the dog.  
The cat crawls all over the dog many times and then runs around the dog before the Vet picks the cat up and puts him back in his cage.  
The Vet then turns to the couple and says, "I'm sorry to tell you this, but your dog is dead. That'll be \$225.00."  
"What?," screamed the outraged man. "You expect me to pay you \$225.00 just to tell me my dog is dead?"  
The Vet replied, "It's only \$25.00 for the office visit and \$200.00 for the Cat Scan."

## The Driving Monkey

A police officer came upon a terrible wreck where people had been killed in a car accident. As he looked at the wreckage he saw a little monkey up in the tree.  
The officer looked at the monkey and said "I wish you could talk."  
The monkey looked up at the officer and shook his head up and down.  
"Can you understand what I'm saying?" asked the officer.  
Again, the monkey shook his head up and down  
"Well, did you see this?"  
"Yes," motioned the monkey.

"What happened?"

The monkey pretended to have a can in his hand and turned it up by his mouth.

"They were drinking?" asked the officer.

"Yes."

"What else?"

The monkey pinched his fingers together and held them to his mouth.

"They were smoking marijuana?"

"Yes."

"Are you saying they were drinking and smoking marijuana before they wrecked?"

"Yes."

"So what were you doing during all this?"

"Driving" motioned the monkey.

## Monkey One Liners

We've all heard that a million monkeys banging on a million typewriters will eventually reproduce the entire works of Shakespeare.

Now, thanks to the Internet, we know this is not true.

\*\*\*

A little boy asked his mother, "Mummy, am I descended from a monkey?"

The mother replied, "I don't know, son

I never met your father's folks.

Some folks seem to have descended from the chimpanzee much later than others.

Henry and his wife live in Canada.

Last week while listening to the radio, the announcer says, "We are going to have 12 inches to 18 inches of snow today.

You must park your car on the even numbered side of the street, so the snow plow can get through."

Henry's wife goes out and moves her car.

A few days later while they are eating breakfast, the radio announcer says, "We are expecting 16 inches to 20 inches of snow today.

You have to park your car on the odd numbered side of the street, so the snow plow can get through."

Henry's wife goes out and moves her car again.

The next week they are having breakfast again, when the radio announcer says, "We are expecting 18 to 24 inches of snow today. You must park...", then the power goes out.

Henry's wife is very upset, and with a worried look on her face she says,

"Honey, I don't know what to do. Which side of the street do I need to park on so the plow can get through?"

With the love and understanding in his voice like all of us men who are married to Blondes exhibit,

Henry says, "Why don't you just leave it in the garage this time?"

## Blonde Secretary

The boss who was on the 25th floor of the building called up the blonde secretary on the ground floor for an important file.

Since it was rather urgent the boss told the secretary it was an emergency and that she should hurry with the file.

After more than 30 minutes the blonde appears all tired and panting for breath.

The Boss asks her why she was panting and what caused the huge delay.

The blonde secretary replies,

"When I went to the lift it said 'during an emergency please use the staircase'!"

Could you check if the indicators work on your side of the car?

The other blonde looks through the window and says:

Yes, no, yes, no, yes, no, yes, no...

## Another Blonde Secretary

A blonde secretary was hired at an office. Her first task was to go out for coffee.

Eager to do well her first day on the job, she grabbed a large thermos and hurried to a nearby coffee shop.

She held up the thermos and the coffee shop worker quickly came over to take her order.

"Is this big enough to hold six cups of coffee?" the blonde asked.

The coffee shop worker looked at the thermos, hesitated a few seconds, then finally replied,

"Yeah. It looks like about six cups to me."

"Good!" the blonde sighed in relief. "I'll have two regular, two black, and two decaf."

## Maxi Pads

A police officer arrives at an accident scene where apparently three blondes have leaped to their death from a very tall building.

He suddenly notices that one is still breathing so he approaches her and asks,

"Why the hell did you three beautiful girls leap out of that building?"

The blond answers in a very weak voice, "We wanted to try out our new maxi-pads, with wings..."

## The Blonde Employee

The county advertised for a new employee to paint the white lines down the middle of the roads.

A blonde lady was the only applicant and she got the job.

On the first day, she painted an impressive 50 miles of road, and her boss was happy with her.

On her second day, she painted 25 miles of road, and her boss thought that was just fine.

On her third day she painted only 15 miles of road, and her boss was starting to get concerned.

On her fourth day she painted a mere 7 miles of road. Her boss asked her why she kept painting less and less road.

"Well," she answered, "each day the paint bucket is further and further away!"

## The Tracks

Three blondes were walking through the forest when they came upon a set of tracks.

The first blonde said, "Those are deer tracks."

The second blonde said, "No, those are elk tracks."

The third blonde said, "You're both wrong, those are moose tracks."

The blondes were still arguing when the train hit them.

## Secret

At a dinner party, several of the guests were arguing whether men or women were more trustworthy.

'No woman can keep a secret.' said one man.

'I don't know about that,' answered a blonde woman guest. 'I have kept my age a secret since I was twenty-one.'

'You'll let it out some day,' the man insisted.

'I hardly think so!' responded the blonde lady. 'When a woman has kept a secret for twenty-seven years, she can keep it forever.'

## Blondes Nailing

One blonde, who was nailing down siding would reach into her nail pouch, pull out a nail and either toss it over her shoulder or nail it in.

The other blonde, figuring this was worth looking into, asked, "Why are you throwing those nails away?"

The first blonde said, "If I pull a nail out of my pouch and it's pointed TOWARD me, I throw it away 'cause it's defective.

If it's pointed toward the HOUSE, then I nail it in!"

The second blonde got completely pissed off and yelled, "You \*\*\*\*!!! The nails pointed toward you aren't defective! They're for the OTHER side of the house!!!"

## Important Headphones

A blonde girl walks into the Salon wearing a pair of headphones and asks for a haircut. The hair stylist looks and says, "You'll need to take off the headphones."

The girl replies, "If I take them off I'll die".

For a while the stylist struggles around the headphones but it's no use. Again she asks the girl to remove the headphones.

"If I take them off I'll die." The blonde responds again.

The stylist continues trying to cut around the headphones but she's getting really frustrated by now. She decides to take the headphones off for her, gently so the girl doesn't notice. As soon as the headphones are removed the blonde girl drops to the floor and dies.

The stylist can't believe it. He picks up the headphones and holds them up to his ears, and listens: "Breath in ... breath out ... breath in ... breath out"

## The Blonde and the Lawyer

A blonde and a lawyer are seated next to each other on a flight from LA to NY.

The lawyer asks if she would like to play a fun game?

The blonde, tired, just wants to take a nap. Politely she declines and rolls over to the window to catch a few winks.

The lawyer persists and explains that the game is easy and a lot of fun.

He explains, "I ask you a question, and if you don't know the answer, you pay me \$5.00, and vice versa."

Again, she declines and tries to get some sleep.

The lawyer, now agitated, says, "Okay, if you don't know the answer you pay me \$5.00, and if I don't know the answer, I will pay you \$50.00."

This catches the blonde's attention and, figuring there will be no end to this torment unless she plays, agrees to the game.

The lawyer asks the first question.

"What's the distance from the earth to the moon?"

The blonde doesn't say a word, reaches into her purse, pulls out a \$5.00 bill and hands it to the lawyer.

"Okay," says the lawyer, "your turn." She asks the lawyer, "What goes up a hill with three legs and comes down with four legs?"

The lawyer, puzzled, takes out his laptop computer and searches all his references.

No answer.

He taps into the air phone with his modem and searches the Internet and the Library of Congress.

No answer.

Frustrated, he sends e-mails to all his friends and co-workers, but no response. After an hour, he wakes the blonde and hands her \$50.00. The blonde says, "Thank you," puts her head on the pillow and goes back to sleep. The lawyer, who is more than a little miffed, wakes the blonde and asks, "Well, what's the answer?" Without a word, the blonde reaches into her purse, hands the lawyer \$5.00, and goes back to sleep.

## Blondes in Casino

Two blondes went together to play the slot machines at the casino. Each agreed that when her allotted money was gone, she would go to the front of the casino, and sit on the bench to wait for the other. The first blonde quickly lost all her money and went to sit on the bench. She waited and waited.

After what seemed an eternity, she finally saw the other blonde coming towards her, carrying a huge sack of coins.

"Hey," the second blonde said to the first blonde, "how did you go?"

"Not very well," replied Trixie. "I've been waiting here for hours."

The second blonde said, "You should have been with me. I found the best machine! With this machine, you can't lose! It's way in the back. Come! I'll show it to you. Every time you put a dollar in, you win four quarters!"

## New Sports Car

A blonde has just got a new sports car. She cuts out in front of a semi, and almost causes it to drive over a cliff. The driver furiously motions for her to pull over, and she does. The driver gets out and draws a circle and tells her to stand in it. Then he gets out his knife and cuts up her leather seats. He turns around and sees she's smiling. So he goes to his truck, takes out a baseball bat, and starts busting her windows and beating her car.

He looks back to see that she's laughing. He's really mad now, so he takes his knife and slices her tires. He turns around and she's laughing so hard, she's about to fall down. He demands, "What's so funny?" She says, "Every time you weren't looking, I stepped out of the circle!"

## Blonde Cops

On a narrow mountain road a man sees a car full of blonde policemen driving uphill backwards.

Hi guys. Why are you driving backwards?

Because we are not sure if we will find a place to make a u-turn on the top of the mountain.

After one hour the guy sees the same police car driving downhill backwards again.

But guys, why are you driving backwards again?

We did find a place to make a u-turn up there.

## Mental Blondes

Jim and Blonde Mary were both patients in a Mental Hospital. One day, while they were walking past the hospital swimming pool, Jim suddenly jumped into the deep end. He sank to the bottom and stayed there. Blonde Mary promptly jumped in to save him. She swam to the bottom and pulled Jim out.

The medical director became aware of what happened and he ordered her to be discharged from the hospital, as he now considered her to be mentally stable. When he went to tell her the news, he said, "Blonde Mary, I have good news and bad news. The good news is that you are being discharged because you were able to jump in and save the life of another patient, so I believe you have regained your senses. The bad news is that Jim, the patient you saved, hung himself in the bathroom with the belt of his robe. I am so sorry, but he is dead." Blonde Mary replied, "He didn't hang himself, I put him there to dry."

## A Young Ventriloquist

A young ventriloquist is touring the clubs and one night he's doing a show in a small town in Arkansas.

With his dummy on his knee, he starts going through his usual dumb blonde jokes when a blonde in the 4th row stands on her chair and starts shouting:

"I've heard enough of your stupid blonde jokes.

What makes you think you can stereotype women that way?

What does the color of a person's hair have to do with her worth as a human being?

It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person.

Because you and your kind continue to perpetuate discrimination against not only blondes, but women in general, and all in the name of humor!"

The embarrassed ventriloquist begins to apologize, and the blonde yells,

"You stay out of this, mister! I'm talking to that little shit on your knee."

1. If you think you might be fat, you probably are. Don't ask us.
2. Learn to work the toilet seat: if it's up put the f\*%#er down.
3. Don't cut your hair. Ever. It causes arguments when we comment on it.
4. Birthdays, Valentines, and Anniversaries are not quests to see if we can find the perfect present ..... again!
5. If you ask a question you don't want an answer to, expect an answer you don't want to hear.
6. Sometimes, we're not thinking about you. Live with it.
7. Anyone can buy condoms.
8. Get rid of your cat. And no, it's not different, it's just like every other cat.

14. You have too many shoes.
15. Crying is blackmail. Use it if you must, but don't expect us to like it.
16. Your brother is an idiot, your ex-boyfriend is a twat and your Dad probably is too.
17. Ask for what you want. Subtle hints don't work.
18. No, we don't know what day it is. We never will. Mark anniversaries on a calendar.
19. Yes, pissing standing up is more difficult than pissing from point blank range. We're bound to miss sometimes.
20. Most blokes own two to three pairs of shoes, what makes you think we'd be any good at choosing which pair, out of thirty, that would look good with your dress?
21. Yes, No and Mmm are perfectly acceptable answers.

26. The relationship is never going to be like it was the first two months we were going out.
27. Don't fake it. We'd rather be ineffective than deceived.
28. Anything we said 6 or 8 months ago is inadmissible in an argument. All comments become void after 7 days.
29. Telling us that the models in the men's magazines are airbrushed makes you look jealous and petty and it's certainly not going to deter us from reading the magazines.

30. The male models with the great bodies you see in magazines are all gay. Face it.
31. If something we said can be interpreted two ways, and one of the ways makes you sad and angry, we meant the other one.

34. Consider Sport a mini-vacation from you. We need it, just like you do.
35. Women wearing Wonderbras, low-cut blouses, tight tops, no jackets, chest level logo'd t-shirts etc. etc. lose their right to complain about having their boobs stared at.
36. When we are in bed and look tired this means that we are tired and does not mean that we want to discuss the relationship.
37. If you want some dessert after a meal - order some. You don't have to finish it. You can just taste it if you like but don't say "No, I couldn't/shouldn't/don't want any" and then eat half of mine.
38. Dieting doesn't work without exercise.
39. If you're on a diet it doesn't mean my meals should be rabbit-food nouvelle-cuisine style. A man's four essential food groups are: white meat, red meat, cold beer and more cold beer. Please ensure all meals contain a good balance of the above in good quantities - everything else falls under the category 'garnish'.
40. Do not question our sense of direction.

## FBI Job Applicants

After all the background checks, interviews and testing were done for the FBI job applicants, there were three finalists - two men and a woman.

For the final test, the FBI agents took one of the men to a large metal door and handed him a gun.

'We want to know that you will follow your instructions no matter what the circumstances. Inside the room you will find your wife sitting in a chair.

If you want to get the job, you have to kill her.'

The man said, 'You can't be serious. I could never shoot my wife.'

The agent said, 'Then you're not the right man for this job. Take your wife and go home.'

The second man was given the same instructions.

He took the gun and went into the room. All was quiet for a bout 5 minutes.

The man came out with tears in his eyes, 'I tried, but I can't kill my wife.'

The agent said, 'You don't have what it takes. Take your wife and go home.'

Finally, it was the woman's turn. She was given the same instructions, to kill her husband. She took the gun and went into the room.

Shots were heard, one after another. Then there were screaming, crashing, banging on the walls.

After a few minutes, it was all quiet.

The door opened slowly and there stood the woman, wiping the sweat from her brow.

'This gun is loaded with blanks' she said. 'I had to kill him with the chair.'

## The Refrigerator Story...

Three men stand before St. Peter awaiting admission into Heaven. St. Peter has been informed that Heaven will only admit 3% of applicants today. The admissions standard: Who died the worst death? So, St. Peter takes each of the three men aside in turn and asks them about how they died.

First man: "I'd been suspecting that my wife was cheating on me. I decided to come home early from work one afternoon and check to see if I could catch her in the act. When I got home, I heard the water running. My wife was in the shower. I looked everywhere for the guy, but couldn't find anyone or any trace that he had been there. The last place I looked was out on the balcony. I found the bastard hanging from the edge. So I started jumping up and down on his hands, and he yelled, but he didn't fall. So I ran inside and got a hammer, and crushed his fingers with it until he fell twenty-five floors screaming in agony. But the fall didn't kill the asshole. He landed in some bushes! So I dragged the refrigerator from the kitchen (it weighed about a ton), pulled it to the balcony, and hurled it over the edge. It landed right on the guy and killed him. But then I felt so horrible about what I had done, I went back into the bedroom and shot myself."

St. Peter nodded slowly as the man recounted the story. Then, telling the first man to wait, he took the second aside. Good Funny Clean Jokes about Marriage..

Second man: "I lived on the twenty-seventh floor of this apartment building. I had just bought this book on morning exercises and was practicing them on my balcony, enjoying the sunshine, when I lost my balance and fell off the edge. Luckily, I only fell about two floors before grabbing another balcony and holding on for dear life. I was trying to pull myself up when this guy came running onto what must have been his balcony and started jumping up and down on my hands. I screamed in pain, but he didn't stop. When he finally stopped, I tried to pull myself up again, but he came out with a hammer and smashed my fingers to a pulp. I fell, and I thought I was dead, but I landed in some bushes. I couldn't believe my second stroke of luck, but it didn't last. The last thing I saw was this enormous refrigerator falling from the building down on top of me."

St. Peter comforted the man, who seemed to have several broken bones. Then he told him to wait, and turned to the third man.

Third man: "Picture this. You're hiding, naked, in a refrigerator..."

## Silent Treatment

A man and his wife were having some problems at home and were giving each other the silent treatment.

But then the man realized that the next day, he would need his wife to wake him at 5am for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "Please wake me at 5:00 AM." He left it where he knew she would find it.

The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight.

Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed.

The paper said, "It is 5am. Wake up."

## Wife and Husband

After being married 25 years, an old Irish man looked at his wife one day and said, "You know, 25 years ago we lived in a cheap apartment, drove a cheap car, had only a sofa bed and watched a 14" black and white television.

BUT, every night I got to sleep with a hot 25 year old blonde."

"Now," he continued, "We have a nice house, a new car, a big flat-screen TV, but I have to sleep with a 50 year old woman.

It doesn't seem fair."

His wife was a reasonable woman.

She replied, "Well, why don't you go out and get yourself a hot 25 year old blonde?

Then I'll make sure you will once again live in a cheap apartment, drive a cheap car, have only a sofa bed and watch a 14" black and white television."

## Penalty

"Cash or card?" I asked, after folding items the woman wished to purchase.

As she was looking for her wallet, I noticed a remote control for a television set in her purse.

"Do you always carry your TV remote?" I asked.

"No," she replied, "but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally."

The next day, Auntie Susie dies.

One week later, the man again goes into his son's room to wish him goodnight.

His son is having another nightmare.

After dressing he drives very cautiously to work fearful of a collision.  
He doesn't eat lunch because he is scared of food poisoning.  
He avoids everyone for he is sure he will somehow be killed.  
He jumps at every noise and hides under his desk.  
Upon walking in his front door at the end of the day, he finds his wife.  
"Good God, Dear," he says, "I've just had the worst day of my entire life!"  
She responds, "You think YOUR day was bad, the milkman dropped dead on the doorstep this morning."

## Deaf Wife

A concerned husband went to a doctor to talk about his wife.  
He says to the doctor, "Doctor, I think my wife is deaf because she never hears me the first time and always asks me to repeat things."  
"Well," the doctor replied, "go home and tonight stand about 15 feet from her and say something to her. If she doesn't reply move about 5 feet closer and say it again. Keep doing this so that we'll get an idea about the severity of her deafness".  
Sure enough, the husband goes home and does exactly as instructed.  
He starts off about 15 feet from his wife in the kitchen as she is chopping some vegetables and says, "Honey, what's for dinner?" He hears no response.  
He moves about 5 feet closer and asks again. No reply. He moves 5 feet closer. Still no reply. He gets fed up and moves right behind her, about an inch away, and asks again, "Honey, what's for dinner?"  
She replies, "For the fourth time, vegetable stew!"

"You get to cruise around heaven in a Viper."  
St Peter turns to the second guy and asks,  
"And you, how many times did you cheat on your wife?"  
"Only twice, I think," says the second guy.  
"Ok. You get to cruise around heaven in a Cadillac.  
Then he asks the third guy,  
"And you, how many times did you cheat on your wife?"  
"Twelve times. Maybe 13," says the third guy.  
"Okay," says Peter. "You get a rusty Ford."

"I just saw my wife."  
"So?"  
"She was riding a skateboard."

"Ten?" says the council worker.

"What are their names?" he asks.

"Wayne, Wayne, Wayne, Wayne, Wayne, Wayne, Wayne, Wayne, Wayne and Wayne".

"Doesn't that get confusing?"

"Naah..." says the woman, "it's great because if they are out playing I just have to shout

"Waayne, yer dinner's ready" and they all come running in".

"What if you want to speak to one of them individually?" says the council worker.

"That's easy," says the woman. "I just use their surnames".

## Joe and his Half-sisters

One Sunday morning Joe burst into the living room and said, "Dad, Mom, I have some great news for you! I am getting married to the most beautiful girl in town. She lives a block away and her name is Susan. After dinner, Joe's dad took him aside. "Son, I have to talk with you. Your mother and I have been married 30 years. She's a wonderful wife but she has never offered much excitement in the bedroom, so I used to fool around with other women. Susan is actually your half-sister, and I'm afraid you can't marry her." Joe was heart-broken. After eight months he eventually started dating girls again. A year later he came home and very proudly announced, "Dianne said yes! We are getting married in June." His father insisted on another private conversation and broke the sad news. "Diane is your half-sister too, Joe, I am very sorry about this." Joe was furious! He finally decided to go to his mother with the news. "Dad has done so much harm. I guess I am never going to get married", he complained. "Every time I fall in love, Dad tells me the girl is my half-sister." His mother just shook her head. "Don't pay any attention to what he says, dear. He's not really your father."

He pondered that then went into the house and packed his bags and returned to the porch and with his wife.

## 3) Little Johnny Jokes

One day at the end of class little Johnny's teacher has the class go home and think of a story and then conclude the moral of "My dad fought in the Vietnam war, his plane was shot down over enemy territory.

He jumped out before it crashed with only a case of beer, a machine gun and a machete. On the way down he drank the case of beer.

Unfortunately he landed right in the middle of 100 Vietnamese soldiers.

He shot 70 with his machine gun, but ran out of bullets, so he pulled out his machete and killed 20 more, but the blade on his machete broke, so he killed the last ten with his bare hands."

Teacher looks in shock at Little Johnny and asks if there is possibly any moral to his story.. Johnny replies, "Yeah... don't mess with my dad when he's been drinking.

Little Johnny's mother was working in the kitchen listening to her son playing with his new train set in the living room.

She heard the train stop and Little Johnny yelled "All you sons of bitches who want to get off, get the hell off now, because this is the last stop!

All of you sons of bitches that are getting on, get your asses in the train cause we're leaving."

The mother went in and told Little Johnny, "we don't use that kind of language in this house.

Now I want you to go into your room for two hours. When you come out, you can play with your train, but I don't want to hear any bad language."

Two hours later, Little Johnny comes out of his room and continues playing with his train. Soon the train stopped and the mother heard Little Johnny say, "All passengers who are disembarking the train, please remember to take all of your belongings with you. We thank you for riding with us today and hope your ride was a pleasant one. We hope you will ride with us again soon. For those of you who are just boarding the train, we ask that you stow all of your hand luggage under the seat, remember there is no smoking except on the club car. We hope you have a pleasant and relaxing journey with us today."

"For those of you who are pissed off with the two hour delay, please see the bitch in the kitchen."

A kindergarten teacher handed out a coloring page to her class.

On it was a picture of a duck holding an umbrella.

The teacher told the kids to color the duck in yellow and the umbrella green.

Little Johnny, the class rebel, colored the duck in a bright fire truck red.

When the teacher saw this, she asked him: "Johnny, how many times have you seen a red duck?"

Little Johnny replied, "The same number of times I've seen a duck holding an umbrella."

The teacher was discussing different jobs held by the parents of the students.

When she called on Little Johnny, she asked, "And what does your father do?"

"Oh, he's a magician," replied Johnny.

"Really? What's his best trick?"

"His best trick is sawing people in half."

"Wonderful!" exclaimed the teacher. "Tell me, are there any more children in your family?"

"Yes ma'am, I have a half brother and two half sisters."

Little Johnny's mother looked out the window and noticed him "playing church", with their three kittens.

He had the kittens sitting in a row, and he was preaching to them.

She smiled and went about her work.

A while later she heard loud meowing and hissing and ran back to the open window to see Johnny baptizing the kittens in a tub of water.

She called out, "Johnny, stop that! Those kittens are afraid of water!"

Johnny looked at her and said...

"They should have thought about that, before they joined my church."

# 4. FOOD, FAT PEOPLE AND DIETING JOKES

## Pizza Diet

A man returns from Africa and is feeling very ill. He goes to see his doctor, and is immediately rushed to the hospital, to undergo a huge amount of tests.

The man wakes up after the tests in a private room at the hospital, and the phone by his bed rings.

"This is your doctor.

We've had the results back from your tests and we've found you have an extremely nasty virus, which is extremely contagious!"

"Oh my gosh," cried the man, "What are you going to do, doctor?"

"Well we're going to put you on a diet of pizzas, pancakes, and pitta bread."

"Is that a low cholesterol diet?" asked the man.

The doctor replied, "Well no, but, it's the only food we can get under the door."

## The Fat Woman

There were three men, a Mexican, Serbian, and a Russian, on a plane along with a fat woman who had been on a crash diet but only got fatter.

The plane engines stopped working, and the three men grabbed the only three parachutes that were on the plane.

The Mexican jumped out yelling, "God bless Mexico!"

The Serbian jumped out and screamed, "God bless Serbia!"

The Russian jumped out yelling, "God bless mother Russia!"

The fat woman jumped out without a parachute and yelled, "God bless whoever I land on!"

## An Unknown Guy's Gym Diary

For Christmas this year my wife bought me a week of private lessons at the local health club. Though still in great shape from when I was on the varsity chess team in high school, I decided it was a good idea to go ahead and try it. I called and made reservations with someone named Tanya, who said she is a 26-year-old aerobics instructor and athletic clothing model. My wife seemed very pleased with how enthusiastic I was to get started.

### Monday

They suggest I keep this "exercise diary" to chart my progress this week. Started the morning at 6:00 a.m. Tough to get up, but worth it when I arrived at the health club and Tanya was waiting for me. She's something of a goddess, with blond hair and a dazzling white smile. She showed me the machines and took my pulse after five minutes on the treadmill. She seemed a little alarmed that it was so high, but I think just standing next to her in that outfit of hers added about ten points. Enjoyed watching the aerobics class. Tanya was very encouraging as I did my sit ups, though my gut was already aching a little from holding it in the whole time I was talking to her. This is going to be great.

### Tuesday

Took a whole pot of coffee to get me out the door, but I made it. Tanya had me lie on my back and push this heavy iron bar up into the air. Then she put weights on it, for heaven's sake! Legs were a little wobbly on the treadmill, but I made it the full mile. Her smile made it all worth it. Muscles feel great

### Wednesday

The only way I can brush my teeth is by laying the tooth brush on the counter and moving my mouth back and forth over it. I am that I have developed a hernia in both pectorals. Driving was okay as long as I didn't try to steer. Tanya was a little impatient with me and said my screaming was bothering the other club members. The treadmill hurt my chest so I did the stair monster. Why would anyone invent a machine to simulate an activity rendered obsolete by the invention of elevators? Tanya told me regular exercise would make me live longer. I can't imagine anything worse.

### Thursday

Tanya was waiting for me with her vampire teeth in a full snarl. I can't help it if I was half an hour late, it took me that long just to tie my shoes. She wanted me to lift dumbbells. Not a chance, Tanya. The word "dumb" must be in there for a reason. I hid in the men's room until she sent Lars looking for me. As punishment she made me try the rowing machine. It sank.

### Friday

I hate Tanya more than any human being has ever hated another human being in the history of the world. If there was any part of my body not in extreme pain I would hit her with it. She thought it would be a good idea to work on my triceps. Well, I have news for you Tanya, I don't have triceps. And if you don't want dents in the floor don't hand me any barbells. I refuse to accept responsibility for the damage, you went to sadist school, you are to blame. The treadmill flung me back into a science teacher, which hurt like crazy. Why couldn't it have been someone softer, like a music teacher, or social studies?

Saturday

Got Tanya's message on my answering machine, wondering where I am. I lacked the strength to use the TV remote so I watched eleven straight hours of the weather channel.

Sunday

Well, that's the week. Thank goodness that's over. Maybe next time my wife will give me something a little more fun, like free teeth drilling at the dentist's.

## Short Dieting Jokes

This is a big day for me. Today I am taking the training wheels off my Exercycle.

I met a friend jogging in the park. Well, he was jogging and I was sitting on a bench.

I gave up exercising when I broke my nose doing push-ups.

Don't forget, your brain needs exercise, too. Therefore, spend lots of time thinking up excuses for not working out.

Fitness nuts are going to feel really stupid lying in a hospital bed some day dying of nothing.

It's back to school time when all those kids who spent the summer at exclusive camps learning to be rugged, fit and independent, are standing on a corner waiting for the school bus to carry them three blocks to school.

## Frenchman, Englishman and American

A Frenchman, an Englishman and an American were captured by cannibals.

The chief comes to them and says, "The bad news is that now we've caught you and we're going to kill you, eat you and then we're going to use your skins to build a canoe. The good news is that you can choose how to die."

The Frenchman says, "I take ze sword." The chief gives him a sword, the Frenchman says, "Vive la France!" and runs himself through.

The Englishman says, "a pistol for me please." The chief gives him a pistol, the Englishman points it at his head and says, "God save the Queen!" and blows his brains out.

The American says, "Gimme a fork!" The chief is puzzled, but he shrugs and gives him a fork. The American takes the fork and starts jabbing himself all over--the stomach, the sides, the chest, everywhere, and there is blood gushing out all over. The chief is appalled and asks, "My God, what are you doing?"

The American says, "So much for your canoe you stupid cannibal!"

## Short Cannibal Jokes

Cannibal: Mom, mom, I've been eating a missionary and I feel sick. Mom: Well, you know what they say - you can't keep a good man down.

Was the principal's brother really a missionary? He certainly was. He gave the people of the Cannibal Islands their first taste of Christianity.

Did you hear about the cannibals who captured a scrawny old hunter? It sure gave them something to chew over.

Did you hear about the cannibal family who were caught spying by the witch-doctor? They were given a right roasting.

The cannibal priest told his flock to close their eyes and say grace. "For whosoever we are about to eat, may the Lord make us truly thankful."

What happened to the entertainer who did a show for the cannibals? He went down really well.

Why was the cannibal looking peeky? Because he had just eaten a Chinese dog.

Why do cannibals make suitcases out of peoples heads? Because they are headcases.

Why did the cannibal eat the tightrope walker? He wanted a balanced meal.

Why don't cannibals like to eat Carl Lewis? He gives them runs.

Why won't cannibals eat Frank Sinatra? Because he's always coming back.

## 5. PIRATE JOKES

### A Pirate Walks into a Bar

A pirate walks into a bar and the bartender says, "Hey, I haven't seen you in a while. What happened, you look terrible!"

"What do you mean?" the pirate replies, "I'm fine."

The bartender says, "But what about that wooden leg? You didn't have that before."

"Well," says the pirate, "We were in a battle at sea and a cannon ball hit my leg but the surgeon fixed me up, and I'm fine, really."

"Yeah," says the bartender, "But what about that hook? Last time I saw you, you had both hands."

"Well," says the pirate, "We were in another battle and we boarded the enemy ship. I was in

a sword fight and my hand was cut off but the surgeon fixed me up with this hook, and I feel great, really."

"Oh," says the bartender, "What about that eye patch? Last time you were in here you had both eyes."

"Well," says the pirate, "One day when we were at sea, some birds were flying over the ship. I looked up, and one of them shat in my eye."

"So?" replied the bartender, "what happened? You couldn't have lost an eye just from some bird shit!"

"Well," says the pirate, "I really wasn't used to the hook yet."

## Smart Parrot

A pirate and his crew were busy plundering a ship. When he entered the captain's quarters, he saw the captain hunched over a table, obviously deep in thought.

When the captain didn't move, the pirate came closer with cutlass raised, but stopped short when he noticed that the captain was involved in a game of chess ... with a parrot!

The pirate watched for a few seconds, and soon the captain made a move.

"Good move! Good move!" the parrot cried, "Nice! Nice!"

Well, needless to say, the pirate was quite impressed.

"Arrgh, matey! That be quite the talented parrot ye be playin' against thar," he said.

The captain looked up at the pirate, somewhat startled, as he had been so involved with the game that he had not noticed the tar standing there.

"Ahh, not THAT smart," he replied, "I' usually beat the blighter two times out of three."

## Pirate Ship Ahead

Once upon a time a royal captain was on the high seas when the lookout on the crows nest shouted, "pirate ship ahead!"

The captain turned to his first mate and said, get me my red shirt.

The first mate got the shirt and the captain put it on.

A battle ensued and the royal ship won.

After the battle the first mate asked the captain, why the red shirt.

The captain said he wore it so if he got shot or injured the men wouldn't see the blood and they would fight harder.

All of the sudden the lookout said, "captain, there are 20 pirate ships coming!"

The captain looked at his first mate and said, "bring me my brown pants!"

# 6. BAR AND DRINKING JOKES

## Aussie Pubs

In the north of Australia is a place called Queensland which is very hot, humid and the pubs are rough.

Anyway, this posh pommie (English) bloke is traveling through Queensland in the middle of summer by bicycle and is caught in a huge tropical storm.

He sees a sign which says there is a pub 18 miles up the road.

So he rides his bike to the pub and when he finally gets there his appearance resembles that of a drowned rat.

Anyway, the locals hardly even look up from their beers as he walks in, dripping wet, and heads up to the bar and orders a scotch on ice.

The barman gives him the worst scotch he has ever tasted but the pommie drinks it down and asks the barman where the dunny (toilet) is.

The barman tells him it is outside.

So the pommie trudges outside into the rain and all he can see in the rain is two big piles of shit, one much bigger than the other.

So the pommie walks over to the smaller pile, relieved that someone had the sense to start a new pile since the larger one was clearly unmanageable.

He has his pants around his ankles and is in the process of relieving himself when a gunshot rings out and a bullet smacks into the heap just beside his head.

Well the poor pommie turns around, in a somewhat vulnerable position, and sees this huge Aussie guy standing at the door of the pub with his still smoking gun in his hand.

"What..What is going on?" Stammers the poor pommie.

The huge Aussie responds "Get the hell out of the Ladies you dirty bastard."

## Just Don't Flush the Toilet

A guy walked into a bar and ordered a beer. He began to have a conversation with the bartender and he went from one beer to several more. After a couple of hours the man realized that he had to piss. At this point he was falling down drunk.

He asked the bartender where the john was and the bartender replied, "Down the hall, the second door on the right. Whatever you do do not go into the first door on the right."

The man then got up and walked down the hall and went into the first door on the right.

About ten minutes had passed and the bartender knowing that the basement had been flooded earlier and that the first door on the right was a elevator shaft figured that the man had went through the wrong door.

He went to check on the man and coming closer to the first door he could hear the man's

yells for help. He opened the door and asked the man if he was all right. The man replied, "I am fine. Just don't flush the toilet!"

"O.K." the other one says, "I'll remember that". So the next day the first hunter comes into the bar with his skin and orders a beer. About ten minutes later the second one crawls in, covered in blood, missing a leg, and is generally a mess. So the other hunter yells "What the happened to you man?!"

The dog said, "34." Wow he got it right. So, he handed over the 5 dollar bill.  
Then the guy said, "Don't let my dog go anywhere I have to use the bathroom."

## 7. LIGHTBULB JOKES

Q: How many IBM types does it take to change a light bulb?

A: 100. Ten to do it, and 90 to write document number GC7500439-0001 Multitasking Incandescent Source System Facility, of which 10% of the pages state only "This page intentionally left blank", and 20% of the definitions are of the form "A ..... consists of sequences of non-blank characters separated by blanks".  
(Notes : This is one of the most impressively durable LBJs. It occurs, virtually letter-for-letter identical, in lists whose contents are otherwise wildly different.)

Q: How many Bush Administration officials does it take to screw in a light bulb?

A: None. There is nothing wrong with the light bulb; it's condition is improving every day. Any reports of it's lack of incandescence are totally unfounded, and the result of delusional "spin" assaults from the fanatic, elitist, liberal media. That light bulb has served honorably, and anything you say undermines the lighting effect and dims it's ego. Why do you hate freedom?

Q: How many Pentagon procurement officers does it take to change a lightbulb?

A: Look, for only \$87 billion, we can put up this chain of fluorescent satellites that will illuminate the whole planet.

Q: How many system administrators does it take to change a lightbulb?

A: None, they just deny everyone access to the area served by the light bulb in question.

Q: How many university students does it take to change a lightbulb ?

A: 31. Ten to vote on whether the light bulb needs changing, whether they should join the Lightbulbs Union first and then what to call the new lightbulb - (the Nelson Mandela lightbulb ?), one to put it in... and twenty to have a pissup after to celebrate a good days work...

Q: How many politically correct people does it take to change a lightbulb?

A: None. "Why should we impose our values on the lightbulb? If it wishes to be a lightbulb of no light, we should respect its uniqueness and individuality."

Q: How many customer service representatives does it take to change a lightbulb?

A: 5. One to incorrectly diagnose the problem, 2 to repeat the first rep's notes to the customer, and one to inform the customer that the lightbulb changing service is no longer available in that location.

Q: How many programmers does it take to change a lightbulb?

A: We looked at the light fixture and decided there's no point trying to maintain it. We're going to rewrite it from scratch. Could you wait two months?

Q: How many Yorkshiremen does it take to change a lightbulb?

A: Four. One to change it, one to hold his racing pigeon, one to hold his greyhound, and one to drink his pint of bitter.

Q: How many Apple and IBM nuts does it take to change a lightbulb?

A: An infinite number: nothing useful gets done while they're arguing.

Q: How many Windows programmers does it take to change a light bulb?

A: 472. One to write WinGetLightBulbHandle, one to write WinQueryStatusLightBulb, one to write WinGetLightSwitchHandle...

Q: How many light bulbs does it take to change a light bulb?

A: Two, the new one and the old one.

Q: How many light bulb jokes does it take to change a light bulb joke?

A: Hmmmm - the probability that a light bulb joke will be submitted to the net in any week is .4, and the probability that it will have changed detectably since the last transmission is .2 . Hence the probability that it will change in a given week is .08. So it takes about 12.5 light bulb jokes to change a light bulb joke.

Q: How many lightbulb joke writers does it take to tell another light bulb joke?

A: 733 - One to tell the original joke, and the rest to give it some minor variation, believing this makes it a new joke that no-one has ever heard of.

The couple thanked the doctor and left.

Later that night while watching TV, the man got up from his chair and his wife asked, "Where are you going?"

He replied, "To the kitchen."

She asked, "Will you get me a bowl of ice cream?"

He replied, "Sure."

She then asked him, "Don't you think you should write it down so you can remember it?"

He said, "No, I can remember that."

She then said, "Well I would also like some strawberries on top. You had better write that down because I know you'll forget that."

He said, "I can remember that, you want a bowl of ice cream with strawberries."

She replied, "Well I also would like whipped cream on top. I know you will forget that so you better write it down."

With irritation in his voice, he said, "I don't need to write that down! I can remember that."

He smiled at them, teeth white, eyes aglitter, "And tomorrow -- tomorrow, I'm going to celebrate my -90th- birthday!!"

"Well," the old woman snickers, "should we get naked again for old time's sake?"

"Not to worry," said the father, "The important thing is that we're all together today."

Son number two arrived and announced, "You and Mom look great, Dad. I just flew in from Los Angeles between depositions and didn't have time to sho for you."

"It's nothing," said the father, "We're glad you were able to come."

Then the daughter arrived, "Hello and happy anniversary!

I'm sorry, but my boss is sending me out of town and I was really busy packing so I didn't have time to get you anything."

After they had finished dessert, the father said, "There's something your mother and I have wanted to tell you for a long time."

"You see, we were very poor. Despite this, we were able to send each of you to college."

"Throughout the years your mother and I knew that we loved each other very much, but we just never found the time to get married."

The three children gasped and all said, "You mean we're bastards?"

"Yep," said the father, "And cheap ones too."

On Monday Emma goes shopping in the local supermarket. Her phone rings and it's her husband, 'Hi ya, Emma, 'he says, 'how do you like your new phone?' Emma replies, 'I just love it, it's so small and light and your voice is clear as a bell, but there's one feature that I

really don't understand though.'  
'What's that, Emma?' asks the husband.  
'How did you know that I was at Wal-Mart?'

# 12. CHRISTMAS AND NEW YEAR JOKES

## Christmas Parrot

A few days before Christmas, a man enters a pet store looking for a present for his wife. The store manager tells him he has got a pretty parrot named Chet that sings Christmas carols.

He brings out a colorful but quiet bird. The man agrees that Chet certainly is beautiful, but he doesn't seem to sing.

The manager tells him to watch as he reaches into his pocket and pulls out a lighter. He clicks the lighter and holds it under Chet's left foot.

Chet starts singing; "Silent Night, Holy Night."

The man is very impressed and watches as the manager moves the lighter underneath Chet's right foot.

Chet now starts to sing "Jingle Bells, Jingle Bells."

The husband says Chet is a perfect present and that he'll buy him. The husband rushes home and excited, gives his wife the present immediately. He holds a lighter under Chet's left foot and the bird sings "Silent Night."

He then moves the lighter under the right foot and Chet lets loose a round of "Jingle Bells." The wife is absolutely impressed and asks her husband what happens if he holds the lighter between Chet's legs instead.

Curious the husband moves the lighter between the parrot's legs, and the bird begins to sing, "Chet's Nuts Roasting on an Open Fire!"

# 13. CHRISTIAN JOKES

## Little Johnny in Church

Little Johnny was in church with his mom for Sunday Mass when he felt a sudden barf attack impending.

"Mom, I think I'm going to throw up!"

She told him, "I want you to run outside as fast as you can.

Run across the lawn and go behind the bushes.

You can throw up behind the bushes and nobody will see you."

So Little Johnny hauled ass for the door.

Less than a minute later, he returned to his seat next to his mom.

He had the look of obvious relief on his young face.

"Did you make it all the way to the bushes, Johnny?"

"I didn't have to go that far, mom.

Just as I got to the front door, I found a box that had a sign on it: FOR THE SICK."

## Three Wise Women

Three Wise Women (as opposed to Three Wise Men)

Do you know what would have happened if there had been Three Wise WOMEN instead of Three Wise MEN?

- Arrived on time,
- Helped deliver the baby,
- Cleaned the stable,
- Made a casserole, and
- Brought practical gifts (like diapers!)

## Jesus in the Bar

The bartender was washing his glasses, and an elderly Irishman came in and with great difficulty, hoisted his bad leg over the barstool, pulled himself up painfully, asked for a sip of Irish whiskey.

The Irishman looked down the bar and said, "Is that Jesus down there?"

The bartender nodded and the Irishman told him to give Jesus an Irish whiskey.

The next patron was an ailing Italian with a hunched back and slowness of movement.

He shuffled up to the barstool and asked for a glass of Chianti.

He also looked down the bar and asked if that was Jesus sitting down there.

The bartender nodded and the Italian said to give Him a glass of Chianti.

The third patron, a redneck, swaggered in dragging his knuckles on the floor and hollered. "Barkeep, set me up a cold one. Hey, is that God's Boy down there?"

The barkeep nodded, and the redneck told him to give Jesus a cold one too.

As Jesus got up to leave, he walked over to the Irishman and touched him and said,

"For your kindness, you are healed!"

The Irishman felt the strength come back to his leg, and he got up and danced a jig to the door.

Jesus touched the Italian and said, "For your kindness you are healed!"

The Italian felt his back straighten and he raised his hands above his head and did a flip out the door.

Jesus walked toward the redneck, and the redneck jumped back and exclaimed,

"Don't touch me, I'm drawing disability!"

## Two Boys

A couple had two little boys, ages 8 and 10, who were excessively mischievous.

They were always getting into trouble and their parents knew that, if any mischief occurred in their town, their sons were probably involved.

They boys' mother heard that a clergyman in town had been successful in disciplining

children, so she asked if he would speak with her boys.  
The clergyman agreed, but asked to see them individually.

So the mother sent her 8-year-old first, in the morning, with the older boy to see the clergyman in the afternoon.

The clergyman, a huge man with a booming voice, sat the younger boy down and asked him sternly, "Where is God?"

The boy's mouth dropped open, but he made no response, sitting there with his mouth hanging open, wide-eyed.

So the clergyman repeated the question in an even sterner tone, "Where is God!!?"

Again the boy made no attempt to answer.

So the clergyman raised his voice even more and shook his finger in the boy's face and bellowed, "WHERE IS GOD!?"

The boy screamed and bolted from the room, ran directly home and dove into his closet, slamming the door behind him.

When his older brother found him in the closet, he asked, "What happened?"

The younger brother, gasping for breath, replied, "We are in BIG trouble this time, dude. God is missing - and they think WE did it!"

## Three Pastors

Three Pastors were having lunch together at a diner.

The first Pastor said, "Ya know, since summer started I've been having trouble with mice in my church.

I've tried everything - noise, spray, cats - nothing seems to scare them away.

The second Pastor then said "Yeah, me too.

I've got hundreds living in the basement of the church.

I've set traps and even called an expert to get rid of them, yet they still won't go away."

With a grin on his face, the third Pastor said, "I had the same problem so I baptized all mine and made them members of the church...

Haven't seen one back since!!!"

## Australian Creation Story

In the beginning, God created heaven and earth.

Shortly thereafter God was in receipt of a notice to show cause why he shouldn't be cited for failure to file an environmental impact statement. He was granted a temporary planning permit for the project, but was stymied by a Cease and Desist Order for the earthly part.

At the hearing, God was asked why he began his earthly project in the first place. He replied that he just liked to be creative.

Then God said, "Let there be light."

Officials immediately demanded to know how the light would be made. Would it require strip mining? What about thermal pollution?

God explained that the light would come from a huge ball of fire, and provisional approval was granted with the proviso that no smoke would result.

The authorities demanded the issuance of a building permit, and (to conserve energy) required that the light be left off half the time.

God agreed, saying he would call the light "Day" and the darkness "Night."

Officials replied that they were only interested in protecting the environment, not in semantics.

God said, "Let the earth bring forth green herb and such as many seed."

The EPA (Environmental Protection Agency) agreed, so long as only native seed was used.

Then God said, "Let waters bring forth creeping creatures having life; and the fowl that may fly over the earth."

Officials pointed out this would require approval from the Department of Game coordinated with the Heavenly Wildlife Federation and the Audubongelic Society.

Everything went along smoothly until God declared that he intended to complete the project in six days.

Officials informed God it would take at least 200 days to review his many waiver applications and environmental impact statements.

After that there would have to be a public hearing, and then there would be a 10-12 month probationary period before....

At this point, God created Hell.

## \$1 and \$20 Bill

A one dollar bill met a twenty dollar bill and said,

"Hey, where've you been? I haven't seen you around here much."

The twenty answered, "I've been hanging out at the casinos, went on a cruise and did the rounds of the ship, back to the United States for a while, went to a couple of baseball games, to the mall, that kind of stuff. How about you?"

The one dollar bill said, "You know, same old stuff ... church, church, church."

## Short Christian Jokes

What's the difference between a Lady in the church and lady in the bathtub?

One has Hope in her Soul and One has Soap in her Hole!

A Sunday school teacher asked the children just before she dismissed them to go to church, "And why is it necessary to be quiet in church?"

Little Johnny replied, "Because people are sleeping."

The little girl went to church for the first time. As she was leaving with her parents, the minister asked how she had liked church. "I liked the music," she replied, "but the commercial was too long."

## The Bad Conductor

A man is working on the buses in the US collecting tickets.

He rings the bell for the driver to set off when there's a woman half getting on the bus. The driver sets off, the woman falls from the bus and is killed. At the trial the man is sent down for murder and seeing as it's Texas he's sent to the electric chair. On the day of his execution he's sat in the chair and the executioner grants him a final wish.

"Well" says the man, "is that your packed lunch over there?" "Yes" answers the executioner. "Can I have that green banana?"

The executioner gives the man his green banana and waits till he's eaten it. When the man's finished, the executioner flips the switch sending hundreds of thousands of volts through the man. When the smoke clears the man is still alive. The executioner can't believe it.

"Can I go?" the man asks. "I suppose so" says the executioner, "that's never happened before."

The man leaves and eventually gets a job back on the buses selling tickets. Again he rings the bell for the driver to go when people are still getting on. A man falls under the wheels and is killed. The bloke is sent down for murder again and sent to the electric chair.

The executioner is determined to do it right this time so rigs the chair up to the electric supply for the whole of Texas.

The bloke is again sat in the chair.

"What is your final wish?" asks the executioner. "Can I have that green banana in your packed lunch?" says the condemned man. The executioner sighs and reluctantly gives up his banana. The bloke eats the banana all up and the executioner flips the switch. Millions of volts course through the chair blacking out Texas. When the smoke clears the man is still sat there smiling in the chair. The executioner can't believe it and lets the man go.

Well, would you believe, the bloke gets his job back on the buses. Once again he rings the bell whilst passengers are still getting on, this time killing three of them. He is sent to the electric chair again. The executioner rigs up all United States electricity supply to the chair, determined to get his man this time. The man sits down in the chair smiling.

"What's your final wish?" asks the executioner. "Well" says the man, "Can I have that green banana out of your packed lunch?" The executioner hands over his banana and the man eats it all, skin included. The executioner pulls the handle and a brazillion volts go through the chair. When the smoke rises the man is still sat there alive without even a burn mark.

"I give up" says the executioner, "I don't understand how you can still be alive after all that?"

He stroked his chin. "It's something to do with that green banana isn't it?" he asked.

"Nahh," said the bloke, "I'm just a really bad conductor."

## A Police Office Joke

A police officer pulls a guy over for speeding.

Officer: May I see your driver's license?

Driver: I don't have one. I had it suspended when I got my 5th DUI.

Officer: May I see the owner's card for this vehicle?

Driver: It's not my car.

Officer: The car is stolen?

Driver: Yes. But come to think of it, I think I saw the owner's card in the glove box when I was putting my gun in there.

Officer: There's a gun in the glove box?

Driver: Yes sir. That's where I put it after I shot and killed the woman who owns this car and stuffed her in the trunk.

Officer: There's a BODY in the TRUNK?!?!?

Driver: Yes, sir.

Hearing this, the officer immediately called his captain.

The car was quickly surrounded by police, and the captain approached the driver to handle the tense situation:

Captain: Sir, can I see your license?

Driver: Sure. Here it is.

It was valid.

Captain: Who's car is this?

Driver: It's mine, officer. Here's the owner' card.

The driver owned the car.

Captain: Could you slowly open your glove box so I can see if there's a gun in it?

Driver: Yes, sir, but there's no gun in it.

Sure enough, there was nothing in the glove box.

Captain: Would you mind opening your trunk? I was told you said there's a body in it.

Driver: No problem.

Trunk is opened; no body.

Captain: I don't understand it.

The officer who stopped you said you told him you didn't have a license, stole the car, had a gun in the glovebox, and that there was a dead body in the trunk.

Driver: Yeah, I'll bet the liar told you I was speeding, too!

# 15. LAWYER JOKES

## A Lawyer and a Blonde

A lawyer and a blonde are sitting next to each other at the bar. The lawyer leans over to her and asks if she would like to play a fun game.

The blonde, drunk and dozing, just wants to take a nap, so she politely declines and rolls over to the window to catch a few winks.

The lawyer persists and explains that the game is really easy and a lot of fun.

He explains: "I ask you a question, and if you don't know the answer, you pay me \$5, and vice-versa."

Again, she politely declines and tries to get some sleep.

The lawyer, now somewhat agitated, says, "Okay, if you don't know the answer you pay me \$5, and if I don't know the answer, I will pay you \$50" figuring that since she is a blonde that he will easily win the match.

This catches the blonde's attention and, figuring that there will be no end to this torment unless she plays, she agrees to the game.

The lawyer asks the first question: "What's the distance from the earth to the moon?" The blonde doesn't say a word, reaches into her purse, pulls out a five-dollar bill and hands it to the lawyer.

Now, it's the blonde's turn. She asks the lawyer: "What goes up a hill with three legs, and comes down with four?"

The lawyer looks at her with a puzzled look.

He takes out his laptop computer and searches all his references. He taps into the digital cell phone via infra-red wireless connection to his modem port and searches the Net and the Library of Congress.

Frustrated, he sends E-mail to all his co-workers, friends, clients, and suppliers that he knows. And then some. All to no avail. After over an hour, he wakes the blonde and hands her \$50. The blonde politely takes the \$50 and turns away to get back to sleep.

The lawyer, who is more than a little miffed, wakes the blonde and asks, "Well, so what IS the answer?"

Without a word, the blonde reaches into her purse, hands the lawyer \$5, and goes back to sleep.

"Well, it's OK with me if it's OK with the undertaker," replied the governor.

## A Young-dying Attorney

A prominent young attorney was on his way to court to begin arguments on a complex lawsuit when he suddenly found himself at the Gates of Heaven. St. Peter started to escort him inside, when he began to protest that his untimely death had to be some sort of mistake. "I'm very young to die! I'm only 30!" St. Peter agreed that 30 did seem to be a bit young to be entering the Pearly Gates, and agreed to verify his case. When St. Peter returned, he told the attorney, "I'm afraid that the mistake must be yours, my son. We verified your age on the basis of the number of hours you've billed to your clients, and you're at least 108."

## Serial Bride Finally Gets It

A lawyer got married to a woman who had previously been married 12 times. On their wedding night, they settled into the bridal suite at their hotel and the bride said to her new groom, "Please, promise to be gentle. I am still a virgin."

This puzzled the groom, since after 12 marriages, he thought that at least one of her husbands would have been able to perform. He asked his new bride to explain the phenomenon.

She responded:

My first husband was a Sales Representative who spent the entire marriage telling me, in grandiose terms, how great it was going to be.

My second husband was from Software Services; he was never quite sure how it was supposed to function, but he promised he would send me documentation.

My third husband was from Field Services and repeatedly said that everything was diagnostically OK, but couldn't get the system up.

My fourth husband was from Educational Services, and you know the old saying-'Those who CAN, DO; those who can't, teach.'

My fifth husband was from the Telemarketing Department. He knew he had the order, but he wasn't quite sure when he was going to be able to deliver.

My sixth husband was an Engineer. He told me that he understood the basic process but needed three years to research, implement, and design a new state-of-the-art method.

My seventh husband was from Finance and Administration. He knew how, but he just wasn't sure whether it was his job or not.

My eighth husband was from Standards and Regulations, and he told me that he met the minimum standards but regulations weren't clear on how to do it.

My ninth husband was a Marketing Manager. Even though he had the product. He just wasn't sure how to position it.

My tenth husband was a psychiatrist. All he ever wanted to do was talk about it.

My eleventh husband was a gynaecologist, and all he ever wanted to do was look at it.

My twelfth husband was a stamp collector, and all he ever wanted to do was . . . -God I miss him!

So now I've married you, and I'm really excited."

"Why is that," asked the lawyer. "Well, it should be obvious! You're a lawyer!!

I just know I'm going to get screwed this time!

## Short Lawyer Jokes

The judge asked, "What new evidence could you have?"

The lawyer replied, "My client is willing to spend an extra \$10,000 on the case."

The second proudly proclaimed, "My son, the physicist, has developed a new energy source capable of heating thousands of homes with absolutely no pollution."

"That is nothing," replied the third, "my son the lawyer has discovered a new accounting system that allows him to bill clients for the time he spends on the golf course!"

## Sex Problem

A man goes to a Psychologist and says, "Doc I got a real problem, I can't stop thinking about sex."

The Psychologist says, "Well let's see what we can find out", and pulls out his ink blots. "What is this picture of?" he asks.

The man turns the picture upside down then turns it around and states, "That's a man and a woman on a bed making love."

The Psychologist says, "very interesting," and shows the next picture. "And what is this picture of?"

The man looks and turns it in different directions and says, "That's a man and a woman on a bed making love."

The Psychologist tries again with the third ink blot, and asks the same question, "What is this picture of?"

The patient again turns it in all directions and replies, "That's a man and a woman on a bed making love."

The Psychologist states, "Well, yes, you do seem to be obsessed with sex."

"Me!?" demands the patient. "You're the one who keeps showing me the dirty pictures!"

## Psychologist and Genie

A psychologist was walking along a Hawaiian beach when he kicked a bottle poking up through the sand. Opening it, he was astonished to see a cloud of smoke and a genie smiling at him.

"For your kindness," the genie said, "I will grant you one wish!" The psychologist paused, laughed, and replied, "I have always wanted a road from Hawaii to California."

The genie grimaced, thought for a few minutes and said, "Listen, I'm sorry, but I can't do that! Think of all the pilings needed to hold up the highway and how long they'd have to be to reach the bottom of the ocean. Think of all the pavement. That's too much to ask."

"OK," the psychologist said, not wanting to be unreasonable.

"I'm a psychologist. Make me understand my patients. What makes them laugh and cry, why are they temperamental, why are they so difficult to get along with, what do they really want? Basically, teach me to understand what makes them tick!"  
The genie paused, and then sighed, "Did you want two lanes or four?"

## Two Patients

A psychiatrist on his rounds in a mental hospital sees a couple of patients behaving rather strangely.

The first man is sitting on the edge of his bed clutching an imaginary steering wheel and making loud train noises "Chooo-Chooo... Whoooo-Whoooooo..."

"What are you doing?" enquires the doctor.

"I'm taking a train down to Barcelona," replies the man.

Somewhat taken aback but not to be put off, the doctor moves on to the next bed where he can see some very energetic activity going on underneath the covers. On pulling them back he finds a man totally naked face down into the mattress.

"And what are you doing?" asks the doctor, a little perplexed.

"Well," pants the man, "While he's in Barcelona, I'm fucking his wife."

## Memory Clinic

Two elderly couples were enjoying friendly conversation when one of the men asked the other, "Fred, how was the memory clinic you went to last month?"

"Outstanding," Fred replied. "They taught us all the latest psychological techniques - visualization, association - it made a huge difference for me."

"That's great! What was the name of the clinic?"

Fred went blank. He thought and thought, but couldn't remember. Then a smile broke across his face and he asked, "What do you call that red flower with the long stem and thorns?"

"You mean a rose?"

"Yes, that's it!" He turned to his wife... "Rose, what was the name of that clinic?"

## Headaches

A man was suffering from severe headaches for years with no relief. After trying all the usual cures he was referred to a headache specialist by his family doctor.

The specialist asked him what his symptoms were and he replied, "I get these blinding headaches kind of like a knife across my scalp and...."

He was interrupted. "And a heavy throbbing right behind the left ear?"

"Yes! Exactly! How did you know?"

"Well I am the world's greatest headache specialist, but I myself suffered from that same type of headache for many years.

It is caused by a tension in the scalp muscles. This is how I cured it: Every day I would give my wife oral sex.

When she came she would squeeze her legs together with all her strength and the pressure would relieve the tension in my head.

Try that every day for two weeks and come back and let me know how it goes."

Two weeks went by and the man came back.

"Well, how do you feel?" the doctor asked.

"Doc, I'm a new man! I feel great!  
I haven't had a headache since I started this treatment!  
I can't thank you enough.  
And, by the way....nice house!"

The man begins crying. "I'm sorry! Its ruining my life. I can't sleep. I do it every time I have a drink! It's worrying me to death, please don't hit me..."

The bar tender takes pity. "Look, I have a brother who is a psychiatrist, here's his card, why don't you see him?"

The man hugs the bartender, shakes his hand and leaves with a thousand thank yous...

Six months later, the man walks into the bar, and orders a drink.

The bartender says "OK, here you go... Wait! Weren't you that guy who..."  
"Yes, And I went and saw your brother. He is fantastic, I am completely cured."

"Well, that's great. This beer is on the house"  
So the man drinks the beer, stands on the bar, drops his trousers and pisses on the bar.

"You bastard! I thought you said you were cured!"  
"I am! It doesn't bother me anymore..."

The younger looking one replies, "Who listens?"

## Short Psychologists Jokes

When the new patient was settled comfortably on the couch, the psychiatrist began his therapy session, "I'm not aware of your problem," the doctor said. "So perhaps, you should start at the very beginning."

Psychiatrist sez,  
"OK, yer ugly, too!"

Neurotics build castles in the sky.  
Psychotics live in them.  
Psychiatrists collect the rent.

Patient: Doctor, you must help me. I'm under such a lot of stress, I keep losing my temper with people.  
Doctor: Tell me about your problem.  
Patient: I JUST DID, DIDN'T I, YOU STUPID BASTARD!!!

Sign on a psychologists office: Schizophrenics pay double.

Doctor, doctor, I keep thinking I'm a dog.  
Lie down on the couch and I'll examine you.  
I can't, I'm not allowed on the furniture.

Doctor, Doctor, I think I'm a bridge.  
What's come over you?  
Oh, two cars, a large truck and a coach.

Doctor, Doctor, I think I'm a cat.  
How long has this been going on?  
Oh, since I was a kitten!

Anyone who goes to a psychiatrist ought to have his head examined.

Doctor, doctor, nobody understands me.  
What do you mean by that?

Doctor, doctor, People keep ignoring me!  
Next!

A man walks into a psychiatrists office and tells him, "I have an identity  
problem..... So do I."

## General Motors Helpline 1

General Motors doesn't have a "technical support help line" for people who don't know how to drive, because people don't buy cars like they buy computers.

But imagine if they did...

HELPLINE: "General Motors Technical Support Helpline, how can I help you?"

CUSTOMER: "I got in my car and closed the door, and nothing happened!"

HELPLINE: "Did you put the key in the ignition and turn it?"

CUSTOMER: "What's an ignition?"

HELPLINE: "It's a starter motor that draws current from your battery and turns over the engine."

CUSTOMER: "Ignition? Motor? Battery? Engine?"

How come I have to know all of these technical terms just to use my car?"

## General Motors Helpline 2

HELPLINE: "General Motors Technical Support Helpline, how can I help you?"

CUSTOMER: "My car ran fine for a week, and now it won't go anywhere!"

HELPLINE: "Is the gas tank empty?"

CUSTOMER: "Huh? How do I know?"

HELPLINE: "There's a little gauge on the front panel, with a needle, and markings from 'E' to 'F'. Where is the needle pointing?"

CUSTOMER: "I see an 'E' but no 'F'."

HELPLINE: "You see the 'E' and just to the right is the 'F'."

CUSTOMER: "No, just to the right of the first 'E' is a 'V'."

HELPLINE: "A 'V'?!?"

CUSTOMER: "Yeah, there's a 'C', an 'H', the first 'E', then a 'V', followed by 'R', 'O', 'L' ..."

HELPLINE: "No, no, no sir! That's the front of the car. When you sit behind the steering wheel, that's the panel I'm talking about."

CUSTOMER: "That steering wheel thingy-- Is that the round thing that honks the horn?"

HELPLINE: "Yes, among other things."

CUSTOMER: "The needle's pointing to 'E'. What does that mean?"

HELPLINE: "It means that you have to visit a gasoline vendor and purchase some more gasoline. You can install it yourself, or pay the vendor to install it for you."

CUSTOMER: "What? I paid \$12,000 for this car! Now you tell me that I have to keep buying more components? I want a car that comes with everything built in!"

## General Motors Helpline 3

HELPLINE: "General Motors Technical Support Helpline, how can I help you?"

CUSTOMER: "Hi! I just bought my first car, and I chose your car because it has automatic transmission, cruise control, power steering, power brakes, and power door locks."

HELPLINE: "Thanks for buying our car. How can I help you?"

CUSTOMER: "How do I work it?"

HELPLINE: "Do you know how to drive?"

CUSTOMER: "Do I know how to what?"

HELPLINE: "Do you know how to DRIVE?"

CUSTOMER: "I'm not a technical person! I just want to go places in my car!"

## General Motors Helpline 4

HELPLINE: "General Motors Technical Support Helpline, how can I help you?"

CUSTOMER: "Your cars suck!"

HELPLINE: "What's wrong?"

CUSTOMER: "It crashed, that's what went wrong!"

HELPLINE: "What were you doing?"

CUSTOMER: "I wanted to go faster, so I pushed the accelerator pedal all the way to the floor. It worked for a while, and then it crashed -- and now it won't even start up!"

HELPLINE: "I'm sorry, sir, but it's your responsibility if you misuse the product."

CUSTOMER: "Misuse it? I was just following this damned manual of yours. It said to make the car go to put the transmission in 'D' and press the accelerator pedal. That's exactly what I did -- now the damn thing's crashed."

HELPLINE: "Did you read the entire operator's manual before operating the car sir?"

CUSTOMER: "What? Of course I did! I told you I did EVERYTHING the manual said and it didn't work!"

HELPLINE: "Didn't you attempt to slow down so you wouldn't crash?"

CUSTOMER: "How do you do THAT?"

HELPLINE: "You said you read the entire manual, sir. It's on page 14. The pedal next to the accelerator."

CUSTOMER: "Well, I don't have all day to sit around and read this manual you know."

HELPLINE: "Of course not. What do you expect us to do about it?"

CUSTOMER: "I want you to send me one of the latest versions that goes fast and won't crash anymore!"

## Is Windows a Virus?

No, Windows is not a virus. Here's what viruses do:

1. They replicate quickly - okay, Windows does that.
2. Viruses use up valuable system resources, slowing down the system as they do so - okay, Windows does that.

3. Viruses will, from time to time, trash your hard disk - okay, Windows does that too.
4. Viruses are usually carried, unknown to the user, along with valuable programs and systems. - Sigh.. Windows does that, too.
5. Viruses will occasionally make the user suspect their system is too slow (see 2) and the user will buy new hardware. - Yup, Windows does that, too.

Until now it seems Windows is a virus but there are fundamental differences: Viruses are well supported by their authors, are running on most systems, their program code is fast, compact and efficient and they tend to become more sophisticated as they mature.

So Windows is not a virus.

It's a bug.

## Help

One guy was on duty in the main lab on a quiet afternoon.

He noticed a young woman sitting in front of one of the workstations with her arms crossed across her chest and staring at the screen.

After about 15 minutes he noticed that she was still in the same position only now she was impatiently tapping her foot.

He asked if she needed help and she replied, It's about time! I pushed the F1 button over twenty minutes ago!

## George Bush in Trouble

In the light of all the criticism that George Bush is an idiot, the Republicans decide to hold a "George Bush Is Not Stupid" convention.

Eighty thousand Republicans meet in the Kansas City Chiefs Stadium.

Trent Lott says, "We are all here today to prove to the world that George Bush is not stupid. So ladies and gentlemen, let me introduce President George Bush."

After the cheers die down.

Lott says "Mr. President, we're going to prove to the world once and for all that you are not stupid. So tell us, what is 15 plus 15?"

Bush, after scrunching up his face and concentrating real hard for a moment, declares, "Eighteen!" Obviously everyone is a little disappointed.

Then the 80,000 Republicans start cheering, "Give Bush another chance! Give Bush another chance!"

Trent Lott says, "Well since we've gone to the trouble of getting 80,000 of you in one place, I guess we can do that."

So he asks, "What is 5 plus 5?"

After nearly 30 seconds of chin-rubbing and grimacing, Bush meekly asks "Ninety?"

Trent Lott is quite perplexed, looks down and just lets out a dejected sigh -- everyone is disheartened.

But then Bush starts pouting, and suddenly the 80,000 Republicans begin to yell and wave their hands, shouting again "Give Bush another chance! Give Bush another chance!"

Lott, unsure whether he's doing more harm than good, eventually says, "Ok! Ok! Just one more chance -- What is 1 plus 1?"

Bush looks down, counts on his fingers, and after a whole minute, proudly announces "Two."

A moment of total silence, then an electric charge surges through the stadium as pandemonium breaks out.

All 80,000 Republicans jump to their feet.

These GOP partisans start to wave their arms, stomp their feet and create a deafening roar: "GIVE BUSH ANOTHER CHANCE! GIVE BUSH ANOTHER CHANCE!"

A country doctor is suturing a laceration on the hand of an old farmer.

Old man: "All you need to know about politics is that young George Bush is a post turtle."

Doctor: "Oh? What is a post turtle?"

Old man: "When yer driving down a country road, and ya come across a fence post with a turtle balanced on top? That's a post turtle. Ya know he didn't get there by himself, he don't belong there, he cain't get anything done while he's up there, and you just want to help take the poor thang down."

## Bush Presidential Library

There's a show on C-SPAN about presidential libraries. Here're what the draft plans for the George W. Bush Library now call for:

The Alberto Gonzales Room - Where you can't remember any of the exhibits.

The Hurricane Katrina Room - It's still under construction.

The Texas Air National Guard Room - Where you don't have to even show up.  
The Walter Reed Hospital Room - Where they don't let you in.  
The Guantanamo Bay Room - Where they don't let you out.  
The Weapons of Mass Destruction Room - Nobody has been able to find it.  
The War in Iraq Room - After you complete your first tour, they can force you to go back for your second and third and fourth and fifth tours.  
The K-Street Project Gift Shop - Where you can buy an election, or, if no one cares, steal one.  
The Men's Room - Where you could meet a Republican Senator (or two).  
To be fair, the President has done some good things, and so the museum will have an electron microscope to help you locate them.

## Mr Bush is No Longer President

A few days after Barack Obama's inauguration, a man came up to the uniformed Marine on duty at the White House and said "I'd like to see President Bush.  
The Marine politely answered "Sir, Mr. Bush is no longer president."  
The man said, "Oh, OK." and walked away.  
The next day the Marine was again on duty and the same man approached and again asked to see President Bush.  
The Marine again answered, "Sir, Mr. Bush is no longer president."  
Again the man answered, "Oh, OK." and walked away.  
The next day the same man approached the same Marine and again asked to see President Bush.  
The Marine, a little annoyed, said "Sir, I've told you, Mr. Bush is no longer president. Don't you understand that?"  
"Yes, I do" said the man, "But I just enjoy hearing it."  
The Marine smiled and said, "See you tomorrow."

## 20. CANADIAN JOKES

### An American, a Scot and a Canuk

An American, a Scot and a Canuk were in a terrible car accident. They were all brought to the same emergency room, but all three of them died before they arrived. Just as they were about to put the toe tag on the American, he stirred and opened his eyes. Astonished, the doctors and nurses present asked him what happened.

"Well," said the American, "I remember the crash, and then there was a beautiful light, and then the Canadian and the Scot and I were standing at the gates of heaven. St. Peter approached us and said that we were all too young to die, and that for a donation of \$100, we could return to the Earth."

He continued, " So of course, I pulled out my wallet and gave him the \$100, and the next thing I knew I was back here."

"That's amazing!" said one of the doctors, "But what happened to the other two?"

"Last I saw them," replied the American, "the Scot was haggling over the price and the Canadian was waiting for the government to pay for his."

### The Story You Knew

A young man named Paul bought a donkey from an old farmer for \$100.00. The farmer agreed to deliver the donkey the next day. When the farmer drove up the next day, he said,

"Sorry son, but I have some bad news...the donkey is on my truck, but he's dead."

Paul replied, "Well then, just give me my money back."  
The farmer said, "I Can't do that. I went and spent it already."  
Paul said, "OK then, just unload the donkey anyway".  
The farmer asked, "What are ya gonna do with him?"  
Paul said, "I'm going to raffle him off."

To which the farmer exclaimed, "You can't raffle off a dead donkey!"  
But Paul, with a big smile on his face, said "Sure I can. Watch me. I just won't tell anybody that he's dead."

A month later the farmer met up with Paul and asked, "What happened with that dead donkey?"

Paul said, "I raffled him off. I sold 500 tickets at two dollars a piece and made a profit of \$698.00."

Totally amazed, the farmer asked, "Didn't anyone complain that you had stolen their money because you lied about the donkey being dead?"

And Paul replied, "The only guy who found out about the donkey being dead was the raffle winner, when he came to claim his prize. So I gave him his \$2 back plus \$200 extra, which is double the going value of a donkey, so he thought I was a great guy."  
Paul grew up working in business and finance, owned marine shipping companies, and eventually entered Canadian politics.

After a lengthy wait for this boss, Jean, to step down as Prime Minister, Paul was voted in with a Liberal minority government. He had learned the drill well. No matter how many times he lied or how much money he stole from the public, as long as he gave them back some of the stolen money, most of them thought he was a great guy.

And you know the rest of the story.

## The Empty Seat

It's Game 7 of the Stanley Cup Final in Montreal, and a man makes his way to his seat right at center ice.

He sits down, noticing that the seat next to him is empty. He leans over and asks his neighbor if someone will be sitting there. "No," says the neighbor. "The seat is empty."

"This is incredible", said the man. "Who in their right mind would have a seat like this for final game of the Stanley Cup playoffs and not use it?" The neighbor says "Well, actually, the seat belongs to me.

I was supposed to come with my wife, but she passed away. This is the first Stanley Cup we haven't been to together since we got married in 1967."

"Oh ... I'm sorry to hear that. That's terrible. But couldn't you find someone else, a friend or relative, or even a neighbor to take the seat?" The man shakes his head "No, they're all at the funeral."

## An Actual Conversation

This is an actual radio conversation between a United States Navy aircraft carrier (U.S.S. Abraham Lincoln) and Canadian authorities off the coast off Newfoundland in October 1995. CANADIANS: Please divert your course 15 degrees to the South to avoid a collision.  
AMERICANS: Recommend you divert your course 15 degrees to the North to avoid a collision.

CANADIANS: Negative. You will have to divert your course 15 degrees to the South to avoid a collision.  
AMERICANS: This is the Captain of a US Navy ship. I say again, divert YOUR course.

CANADIANS: No, I say again, you divert YOUR course.  
AMERICANS: This is the aircraft carrier USS Lincoln. The second largest ship in the United States Atlantic fleet. We are accompanied by three destroyers, three cruisers, and numerous support vessels. I demand that you change your course 15 degrees north... I say again... That's one-five degrees north.... or counter-measures will be undertaken to ensure the safety of this ship!

## Anti-Terrorist Activity

As we all know, the Taliban considers it a sin for a man to see a naked woman who is not his wife. So, this Sunday at 2:00 PM Eastern time all Canadian women are asked to walk out of their house completely naked to help weed out any neighbourhood terrorists. Circling your block for one hour is recommended for this anti-terrorist effort.

All men are to position themselves in lawn chairs in front of their house to prove they are not Taliban, demonstrate that they think it's okay to see nude women other than their wife and to show support for all Canadian women.

And since the Taliban also does not approve of alcohol, a cold six-pack at your side is further proof of your anti-Taliban sentiment.  
The Canadian Government appreciates your efforts to root out terrorists and applauds your participation in this anti-terrorist activity.

## A Cape Bretoner

A Cape Bretoner walked into the local Welfare Office, marched straight up to the counter and said, "I'm here to pick up my welfare cheque, but I really hate drawing welfare. I would really rather find a job."

very wealthy man who wants a chauffeur/bodyguard for his nymphomaniac daughter. You'll have to drive around in a big black Mercedes and the suits, shirts, and ties are provided. Because of the long hours involved, meals will also be provided and you will be required to escort the young lady on all her overseas holiday trips. The salary package starts at \$200,000 a year with room and board and bonuses."

The Cape Bretoner said, "You've got to be bullshitting me man!"

The clerk behind the counter said, "Yeah, well you started it....."

There is, however, one exception. A girl named Kristen has not gone along with the crowd.

The teacher asks her why she has decided to be different.

"Because I am not an American."

"Then", asks the teacher, "What are you?"

"I'm a proud Canadian," boasts the little girl.

The teacher is a little perturbed now, her face slightly red. She asks Kristen why she is a Canadian.

"Well, my mom and dad are Canadians, so I'm a Canadian too."

The teacher is now angry. "That's no reason," she says loudly. "What if your mom was a moron, and your dad was a moron. What would you be then?"

A pause, and a smile. "Then," says Kristen, "I'd be an American."

## Local Call

An American decided to write a book about famous churches around the world.

So he bought a plane ticket and took a trip to Orlando, thinking that he would start by working his way across the USA from South to North.

On his first day he was inside a church taking photographs when he noticed a golden telephone mounted on the wall with a sign that read "\$10,000 per call".

The American, being intrigued, asked a priest who was strolling by what the telephone was used for.

The priest replied that it was a direct line to heaven and that for \$10,000 you could talk to God.

The American thanked the priest and went along his way.  
Next stop was in Atlanta. There, at a very large cathedral, he saw the same golden telephone with the same sign under it.

He wondered if this was the same kind of telephone he saw in Orlando and he asked a nearby nun what its purpose was.

She told him that it was a direct line to heaven and that for \$10,000 he could talk to God.  
"Ok, thank you," said the American.  
He then traveled to Indianapolis, Washington DC, Philadelphia, Boston and New York.  
In every church he saw the same golden telephone with the same "\$10,000 per call" sign under it.

The American, upon leaving Vermont decided to travel to up to Canada to see if Canadians had the same phone.  
He arrived in Canada, and again, in the first church he entered, there was the same golden telephone, but this time the sign under it read "40 cents per call."

The American was surprised so he asked the priest about the sign. "Father, I've traveled all over America and I've seen this same golden telephone in many churches.  
I'm told that it is a direct line to Heaven, but in the US the price was \$10,000 per call.

Why is it so cheap here?"  
The priest smiled and answered, "You're in Canada now, son - it's a local call"

The girl at the counter says, "That's impossible. The biggest prize is a car".  
But the person keeps on screaming, "I've won a motor home! I've won a motor home!"  
Finally, the manager comes over and says, "I'm sorry, but you're mistaken.  
You couldn't have possibly won a motor home because we didn't have that as a prize!"  
The person says, "No, it's not a mistake. I've won a motor home!"  
They hand the cup to the manager and he reads.. "W I N A B A G E L"

## Ticket Please

Three Canadians and three Americans were traveling to a hockey game.  
The three Americans each buy tickets and watch as the three Canadians buy only a single ticket.  
How are the three people going to travel on only one ticket?", asks an American.  
Watch and you'll see," says a Canadian.  
They all board the train.  
The Americans take their respective seats but all three Canadians cram into a bathroom and close the door behind them.  
Shortly after the train has departed, the conductor comes around collecting tickets.

He knocks on the bathroom door and says, "Ticket please!" The door opens a crack, a single arm emerges with a ticket in hand.

The conductor takes it and moves on.

The Americans see this and agree it was quite a clever idea.

So after the game they decide to copy the Canadians on the return trip and save some money.

When they get to the station, they buy a single ticket for the return trip.

To their astonishment the Canadians don't buy a ticket at all.

"How are you going to travel without a ticket?" asks one perplexed American.

"Watch and you'll see," replies a Canadian.

When they board the train the three Americans cram into a bathroom and the three Canadians cram into another bathroom nearby.

Once the train leaves the station, one of the Canadians leaves and walks over to the other bathroom where the Americans are hiding, knocks on the door and says, "Ticket please!"

## Seamus and Niall

Two beggars, Seamus and Niall, were walking along the road at dusk.

Being the more amateur of the two, Niall complained loudly "I'm famished!

How will we get something to eat this night?"

"Worry not," said Seamus, "I'll show you how it's done."

As they approached a farmhouse, he picked up a dried cowpie from the field and went to the door.

He knocked on the door, and the missus answered.

"Yes," she said. "Forgive me missus," begged Seamus, "I am but a humble beggar with nought to eat but this dried old cowpie.

Could I trouble you for some salt to go with it?"

"Why that's no fit meal for a man," the woman exclaimed.

"Come in here and sit down, I'll feed you proper."

A half hour later, Seamus emerged from the house stuffed with lamb and potatoes and

smiling ear to ear.

"Wow," shouted Niall, "I can do that!"

He ran to the next farmhouse, grabbing his own cowpie on the way.

He knocked on the door, and the missus answered.

"Forgive me missus," he begged, "I am but a humble beggar with nought to eat but this dried-up old cowpie.

Could I trouble you for some salt to go with it?

He says to the attendant at the station, "Fill it up, will you?".

The man says "Sorry - we're right out of petrol."

So the man considers, and says "Well, I'm a bit low on oil, would you mind topping that up?"

And the attendant responds "Sorry, but no oil either."

The man thinks, and asks the attendant to wash his windscreen, to which he gets the by-now predictable response that he can't do that.

The man at this point is fairly mad, so he asks the attendant

"Just what kind of petrol station is this?"

The attendant then looks both ways, and very carefully whispers to the man

"To tell you the truth, this is just an IRA front."

The man then says "Well, in that case, you can blow up the tyres!"

The first man responds: "You don't say, I'm from Ireland too! Let's have another round to Ireland."

"Of Course," replies the second man. Curious, the first man then asks: "Where in Ireland are you from?" "Dublin," comes the reply.

"I can't believe it," says the first man. "I'm from Dublin too! Let's have another drink to Dublin."

"Of course," replies the second man. Curiosity again strikes and the first man asks:

"What school did you go to?"

"Saint Mary's," replies the second man. "I graduated in '62."

"This is unbelievable!" the first man says. "I went to Saint Mary's and I graduated in '62, too!"

About that time in comes one of the regulars and sits down at the bar.

"What's been going on?" he asks the bartender.

"Nothing much," replies the bartender. "The O'Malley twins are drunk again."

No, no," said Mrs. O'Connor, looking puzzled. I'm always first out of bed.  
Still hopeful, the solicitor tried once again.

Well, does he go in for unnatural connubial practices?  
Sure now, he plays the flute, but I don't think he knows anything about the connubial.  
Now desperate, the solicitor pushed on.  
What I'm trying to find out are what grounds you have.  
"Bless you, sir. We live in a flat -- not even a window box, let alone grounds.  
Mrs. O'Connor, the solicitor said in considerable exasperation, you need a reason that the court can consider.

What is the reason for you seeking this divorce?  
Ah, well now, said the lady, Sure it's because the man can't hold an intelligent conversation.

The indignant attorney said, "I'll have you knw that I'm one of the best solicitors in all of Ireland, and if you don't let me retrieve my bird, I'll take ye to court for everything y'own!" The old farmer looked him over and said, "Well now, being as how you're not from around here, you don't know how we settle things like this. Y'see now, here we use the three-kick method. "And what would that be?", asked the lawyer. The farmer said, "First I kick you three times and then you do the same to me, and back and forth like that till one or the other gives up." The attorney thought this over, and quickly decided he could easily take the old codger, and agreed to the local custom. The old farmer walked slowly over to the lawyer. His first kick planted the toe of his heavy boot in the solicitor's groin dropping him to his knees. The second blow nearly wiped the lawyers nose off his face. The attorney was flat on the ground when the farmer's third kick to the kidney almost finished him. The lawyer dug deep for his every bit of will, dragged himself standing, and said, "Okay you old bugger, now it's my turn. The old farmer just smiled and said, "Naw I believe I'll give up now. You can have the bird."

Next came the German. "Under Saudi law you are sentenced to 30 lashes then deported. Before you begin you are entitled to something on you back, what would you like?" said the prison guard.

"Nothing" said the German and, after receiving his lashes spat on the ground, called the prison guards Schisers and started off towards the airport.

At this point, the Irish man goes to the boot and fetches a 12 year old bottle of Jameson whiskey. He hands the bottle to the English man, whom exclaims, "may the English and the Irish live together forever, in peace, and harmony." The English man then tips the bottle and lashes half of it down. Still flabbergasted over the whole thing, he goes to hand the bottle to the Irish man, whom replies: "no tanks, I'll just wait till the Garda get here!"

It was the end of the Gulf war. The Arabs stared over at the Oil Fields and watched them burning. Day and Night the Flames roared into the sky. The Arabs pondered on how they were going to put out the fires when one Arab suggested that they ring 'Red O Dare'. Red O Dare was contacted but informed the Arabs that he was busy for the next six months. Red O Dare told the Arabs that they should ring his cousin Paddy O Dare from Co Mayo in Ireland.

The Arab got on the phone and contacted Paddy. The Arab explained the problem with the

Oil Fields to Paddy and asked if he could help. Paddy Replied: "No Problem." The Arab asked him how quick he could get there and how much would it cost?. Paddy Replied: "I can be there in 10 Hours and it'll cost ya' \$10,000."Great"; said the Arab and hung up the phone.

The Arabs waited in the Desert, still watching the flames shooting into the sky, when all of a sudden an open top truck with four Red Haired Paddy's comes roaring over the Sand Dunes and heads straight into the oil field. The Arabs shouted to no avail, and the truck drove straight into one of the burning rigs.

They jumped out, took off their Denim Jackets and proceeded to beat the fire out with them. The Arabs watched with amazement and two days later the Oil Rig Fire was Out. The four Paddy's walked to the Arabs and one said...."Jazus..that was rough!".

The Arab, while writing the check for \$10,000, said to Paddy; "And what are you going to buy with all this money? "Paddy Replied: "Well, the first thing I'm going to buy a set of brakes for that fucking truck!!"

The nurse knocked on his door, peeked in, and informed him that he had more visitors on the way up. As he lied in bed and readied himself for the visit, a sudden onslaught of diarrhoea caught him by surprise, making a mess of his hospital gown and bed sheets.

Not wanting to be embarrassed when his visitors showed up, he quickly took off his hospital gown and ripped the sheets off the bed, tossed them out the window, and ran into his bathroom to clean up and put on another hospital gown.

Unbeknownst to him, Tim Murphy had just left the local pub and was staggering along the street below his window, when the hospital gown and sheets fell on top of him. Thinking he had been attacked, Tim spun around, covered by the sheets, swinging his arms and punching out at his "attacker."

When he finally managed to knock the sheets off, he fell backwards on his behind and sat staring at the pile of sheets in awe. Just then, a city policeman happened along. Trying to comprehend the sight before him, he asked Murphy, "and, just what in the hell happened here?"

### Norwegian in Florida

There was this Norwegian who was on vacation in Florida. All his life he'd wanted to have a pair of alligator-shoes, and now he thought he would finally be able to get around to buying a pair. Gator shoes are of course expensive, and haggling down the price didn't help. Finally the Norwegian yelled out in anger, "Just keep your lousy shoes. If that's how it's going to be then I'll just get myself a boat, go out into the swamp, catch a gator and make my own shoes!" The owner of the store just looked stupidly at him, "Yeah, sure, and give my best regards to the Swedes who're already up there trying to do what you just told me." The Norwegian runs to a boat-rental and gets a boat, then he heads out into the swamp. After a while he finds two Swedes standing up to their knees in the water. Both of them are holding a spear pointed at the water. That must be the Swedes the Norwegian thinks. Suddenly there's a movement in the water and an alligator swims towards one of the Swedes. The Swede is standing there like a statue, just waiting for the big gator to get closer. When the gator is close by the Swede sticks his spear into the gator, and with a bit of fighting he gets the beast onto the land, where there is a big pile of gators. The Swede turns the gator on his back and examines it's feet, and then finally utters, "Damn! No shoes on this one either!"

The police officer then said: "I'm afraid I'll have to charge you \$10.00 per floor you counted." The Swede then said: "Oh, I counted 50 floors sir." The police officer left, very happy. He read about a new surgical procedure that would endow one with a perfect Århus accent and although he feared it would cost a lot, he determined that it would be worth it.

He consulted with a specialist who said "Yeah, we can do that for you. It's very simple. We

just excise one quarter of your brain and you will be able to speak perfect Århus accent." The man felt that was rather drastic, but he wanted so badly to fit in in Århus that he decided to go ahead.

They put him under and the doctor went to work on him. Unfortunately, the doctor slipped with the scalpel and ended up cutting out half his brain. They hastily sewed him up and with 'bated breath hoped that fellow had survived the operation okay. They waited 'round his bedside for him to come to. ## Queensland Creation Story

Once upon a time in the kingdom of Heaven, God went missing for six days.

Eventually, Michael the archangel found him on the seventh day resting.

He enquired of God, "where have you been?" God pointed downwards through the clouds. "Look Michael, look what I've made," said God. Archangel Michael looked puzzled and said, "what is it?"

"It's a planet," replied God, "and I've put life on it.

I'm going to call it Earth and it's going to be a great place of balance."

"Balance?" inquired Michael, still confused.

God explained, pointing down to different parts of the earth, "For example North America will be a place of great opportunity and wealth while South America is going to be poor; the Middle East over there will be a hot spot and Russia will be a cold spot."

"Over there I've placed a continent of white people and here I've placed a continent of black people." God continued pointing to different countries: "This one will be extremely hot and arid and this one will be very cold and covered in ice." The archangel, impressed by Gods work, then pointed to another area and asked, "What's that?"

"Ah", said God. "That's Queensland, the most glorious place on earth. There are beautiful people, impressive towns; it is the home of the world's finest artists, musicians, writers, thinkers, explorers and sportsmen. The people from Queensland are going to be modest, intelligent and humorous and they're going to be found travelling the world. They'll be extremely sociable, hard working and high achieving, and they will be known throughout the world as speakers of truth."

Michael gasped in wonder and admiration but then proclaimed, "What about Balance, God - you said there will be BALANCE!" God pointed his finger towards an area in southern Australia and replied, "Just wait until you see all the wankers I'm putting in New South Wales!"

## Aussie Barbeque Rules

Routine...

- (1) The woman buys the food.
- (2) The woman makes the salad, prepares the vegetables, and makes dessert.
- (3) The woman prepares the meat for cooking, places it on a tray along with the necessary cooking utensils and sauces, and takes it to the man who is lounging beside the grill - beer in hand.
- (4) The woman remains outside the compulsory three meter exclusion zone where the exuberance of testosterone and other manly bonding activities can take place without the interference of the woman.

Here comes the important part:

- (5) THE MAN PLACES THE MEAT ON THE GRILL.

More routine...

- (6) The woman goes inside to organise the plates and cutlery.
- (7) The woman comes out to tell the man that the meat is looking great. He thanks her and asks if she will bring another beer while he flips the meat.

Important again:

- (8) THE MAN TAKES THE MEAT OFF THE GRILL AND HANDS IT TO THE WOMAN.

More routine...

- (9) The woman prepares the plates, salad, bread, utensils, napkins, sauces, and brings them to the table.
- (10) After eating, the woman clears the table and does the dishes.

And most important of all:

- (11) Everyone PRAISES the MAN and THANKS HIM for his cooking efforts.
- (12) The man asks the woman how she enjoyed "her night off." And, upon seeing her annoyed reaction, concludes that there's just no pleasing some women...

# The Clever Grandpa

The ATO (Australian Taxation Office) decides to audit Grandpa, and summons him to the ATO office.

The ATO auditor was not surprised when Grandpa showed up with his Lawyer

The auditor said, 'Well, sir, you have an extravagant lifestyle and no full-time employment, Which you explain by saying that you win money gambling. I'm not sure the ATO finds that believable

I'm a great gambler, and I can prove it,' says Grandpa.  
'How about a demonstration?'  
The auditor thinks for a moment and said, 'Okay. Go ahead.'

Grandpa says, 'I'll bet you a thousand dollars that I can bite my own eye.'  
The auditor thinks a moment and says, 'It's a bet.'  
Grandpa removes his glass eye and bites it.  
The auditor's jaw drops.

Grandpa says, 'Now, I'll bet you two thousand dollars that I can bite my other eye..'  
Now the auditor can tell Grandpa isn't blind, so he takes the bet.

Grandpa removes his dentures and bites his good eye.  
The stunned auditor now realizes he has wagered and lost three grand, with Grandpa's Lawyer as a witness.  
He starts to get nervous.

'Want to go double or nothing?' Grandpa asks 'I'll bet you six thousand dollars that I can stand on one side of your desk, and pee into that wastebasket on the other side, and never get a drop anywhere in between.'

The auditor, twice burned, is cautious now, but he looks carefully and decides there's no way this old guy could possibly manage that stunt, so he agrees again.

Grandpa stands beside the desk and unzips his pants, but although he strains mightily, he can't make the stream reach the wastebasket on the other side, so he pretty much urinates all over the auditor's desk.

The auditor leaps with joy, realizing that he has just turned a major loss into a huge win. But Grandpa's own attorney moans and puts his head in his hands.  
'Are you okay?' the auditor asks.  
'Not really,' says the attorney.

'This morning, when Grandpa told me he'd been summoned for an audit, he bet me twenty-five thousand dollars that he could come in here and piss all over your desk and that you'd be happy about it!'
